QUALITY and ENVIRONMENTAL POLICY

ISO 9001:2015, PS 9000:2016, ISO 14001:2015

Technoprint produces in-house design and manufacture of patient information leaflets and booklets for supply to the pharmaceutical and healthcare markets, fully complying with the requirements of ISO 9001:2015, PS 9000:2016 and ISO 14001:2015.

Technoprint is committed to excellence in our service and assuring product security and to protecting the local and global environment of the Earth

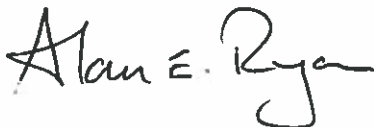

To ensure we maintain high standards of Quality along with minimizing environmental impacts concerning our activities, products and services, we shall:

- Comply with all the legal requirements and other requirements of the above standards
- Measure and analyse our performance to ensure we satisfy our customers' expectations and needs, address risks and meet our set quality objectives, whilst preventing pollution, reducing waste and minimizing the consumption of resources to meet our environmental objectives
- Technoprint Senior management are committed to ensuring that the requirements of our standards and the protection of the environment are effectively communicated and firmly embedded in both the company's and all employees culture and will endeavour to influence its suppliers and customers in a similar strategic environmental and quality manner
- Maintain a hygienic, clean and controlled environment to prevent contamination
- Include the consideration of environmental issues in all business strategies and initiatives
- Educate, train and motivate employees to carry out tasks to a high standard of Quality and in an environmentally responsible manner, whilst ensuring that continuous improvement and professional development strategy remains core to our business goals

Technoprint is committed to continual improvement of Quality and Environmental performance.

This policy will be communicated to all staff, contractors and suppliers and will be available to the public on our company website.
